This book is dedicated to Mr. Bruce Peters

Crossing Guard

Every Student in the class of 2018 has had the pleasure of interacting with our dear crossing guard Bruce at least once in their high school career. He always greeted everyone with a huge smile, a classic joke, and the occasional lollipop. The students of WHS truly were blessed to have him in our lives and we dedicate this yearbook in his honor. We can only aspire to live life as cheerful and positive as he did. Bruce truly was the spokesperson for our WHS motto: work hard be kind.

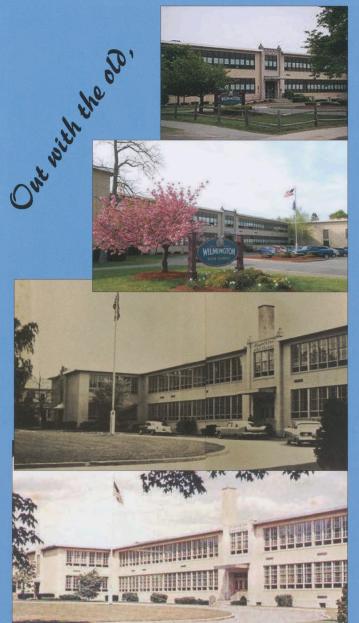

Bruce passed away on January 31, 2017.

Tribute written by Britney Mallebranche

Obituary

Bruce was the beloved husband of Thelma M. (Carlson) Peters, devoted father of Eric Peters & wife Sandra of Pelham, NH and Kristen Forrest & husband Haegan of Reading. Loving grandfather of Molly & Zachary Peters and Aiden & Owen Forrest. Cherished son of the late Lewis and Jeanne (Guimier) Peters, dear brother of the late John Peters. Family and friends will gather for a Funeral Service with Military Honors at the Nichols Funeral Home, 187 Middlesex Ave. (Rte. 62), Wilmington, on Friday February 3rd at 1000 am. In lieu of flowers donation in Bruce's memory may be made to the MSPCA-ANGELL, 350 South Huntington Ave, Boston, MA 02130. Bruce proudly served as a Lieutenant for the U. S. Navy during the Korean War and was a beloved crossing guard at Wilmington High School for many years.

With a beloved, but aging building, the town put together a proposal for a new high school in 2010. Wilmington residents seemed eager for a improvements and the plans were approved by a 3-1 margin in a town referendum in December 2011.

It took a couple of years for all of the pieces to fall into place, but the Groundbreaking for the new high school was held on Thursday, April 25, 2013.

Construction began while students continued to attend the "old" school next door. After two years of watching the slow construction progress, it was finally time to say goodbye to the "old" school. Students attended classes for the last time on February 13, 2015. After February break, teachers and administrators moved into the new building, with students following the next day (February 24th).

Demolition of the old school could now begin and the removal began in March 2015. The whole project was overseen by Dore & Whittier Architecture Firm, with a cost of ~\$80 million. The new school is 193,340 sq. feet.

The "old" Wilmington High School was built in the 1950s. At that time, there were about 70 students in each graduating class. Almost 70 years later, the first graduating class of the new school was over 250 students!

Senior Year 2018

Vice President: Mia O'Connell Secretary: Fariha Haque Treasurer: Sharanya Ramanan Class Representatives: Hannah Walsh, Jessica Moore

Senior Year was filled with many firsts as well as many lasts. We were on the home stretch. We were applying to college, keeping our grades up, deciding where to go all while making memories. Once we got back to school we started organizing the sale of Senior t-shirts. We also organized Spirit Week and had a fun filled pep rally to end it. We held multiple fundraisers this year to help with the costs of prom and senior week activities. We had Dining for a Cause at the 99s and Chipotle. We helped run our final Talent Show with some of our class officers even participating. We had prom at Castleton Banquet and Conference Center with a theme of Midnight in Paris. We were all very excited as the year was coming to an end and we would all be going onto another adventure.

To the Class of 2018,

I am sure that four years seemed an eternity as you started your life at WHS as freshmen. I am just as sure that you are now wondering where those four years have gone. I hope that it was a journey of wonderful memories – a journey which provided you with great learning experiences, many positive relationships, and much laughter. Whether your strengths are in academics, athletics, art, music, or drama, what matters most is that you arrived here every day

ready to make a difference. Please take the time to reflect on your four year journey and focus on the good times, the positive experiences, the fun you had, and the differences you have made.

It is sometimes difficult for me to put into words my sentiments, thoughts, and advice when I am also saying goodbye. You must know by now that the world of numbers and formulas are what have shaped my identity as a math teacher for many years. But what has really kept me in education for all these years is you, my students. There is nothing more rewarding than the connections I make every day with you. Your warm greetings in the morning when you enter the building, your beautiful smiles and your waves hello when passing me in the halls, stopping by my office for a little extra help, or to ask a question, or just to chat — I cherish all of that. On many occasions, you have been what has made my day. Nothing means more to me than family and I consider my students and staff my WHS family.

The years you have spent here have been filled with many ups and downs. You have faced challenges, struggled with having to make difficult decisions, and sometimes finding yourself a little scared. You have also had many reasons to smile and to laugh, to cheer teams on, to make someone proud. I hope that for every moment, whether difficult or easy, there is a beautiful memory to cherish. It is not always simple to find the good in everything, but it always worth it.

If I could offer you any advice as you leave WHS, I would tell you to find something to do that you love. If you have a dream, follow it. If you have a talent, pursue it. If you can, give. You have much to offer. Life is beautiful especially if you love what you do. You have made me love what I do. I can never thank you enough for that.

As you begin a new journey beyond WHS, I wish for you every success, every happiness, everything good in your future.

Live the life you love; Love the life you live, (Bob Marley)

Here's to loving life... Miss Peters

Congratulations, Class of 2018. We are honored and proud to be a part of your senior year. The wonderful thing about being assistant principals is that we

have the opportunity to interact with all of you in so many different ways. Sometimes, the interactions aren't always for the best reasons, but we always leave them with good impressions of you as people, as students, and as mature adults. Whether we're having you about turning in your community service or cheering you on at a field hockey match or applauding your accomplishments on the stage, we know that you will handle every situation maturely and give it the care and attention it deserves. You are great people, and you'll do great things!

To the class of 2019 and beyond work hard, be kind and care for others; you too will find great things ahead of you.

Sincerely, Christopher Phillips and Jonathan Merenda Assistant Principals

To the Class of 2018,

We have finally done it! We are seniors ready to move into the real world ahead of us. However, before we do so, we must take time to acknowledge the fantastic years we have spent together. Over the last four years, we've had the opportunity to get to know one another very well. Although each of us is involved in our own lives, classes, sports, and clubs, we as a class have had tremendous moments of unity throughout the years. We all remember our first activities together, including our first school dances

and our first pep-rally. We as a class have never failed to come together and succeed no matter the circumstances. These past four years have been nothing short of amazing! As we pursue our future endeavors, may we have success and cherish all the memories we have forged as students here in Wilmington! #rollcats

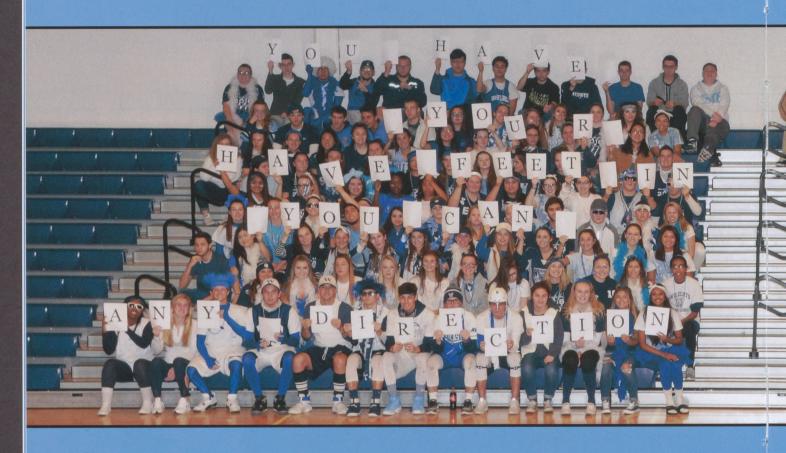

We have had such a pleasure working to build this yearbook for our class. We wish you the best in your future endeavors and hope you keep this yearbook as a treasure for all the memories we've had here at WHS.

Superlatives

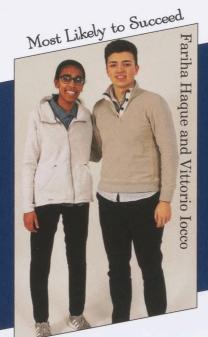

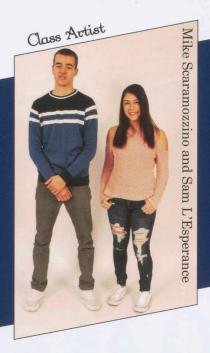

Best Friends - Girls

The Class of 2018 voted on superlatives in 18 categories. The votes were difficult to tally because so many people got votes in one area or another, but there was a clear runaway with Billy McEvoy and Taeya Peroni winning in three different categories. And, for the first time, there was a three way tie for the ladies for Best Hair.

Our questions, your answers

We asked seniors 18 questions on a variety of topics. The results have been tallied and we've featured 12 of the questions on these three pages.

The other six questions are hidden on other pages of the book!

What's the best movie that came out during high school?

- 1 IT
- 2 Moana
- 3 Star Wars
- 4 American Sniper
- 5 Finding Dory
- 6 Creed
- 7 Beauty and the Beast
- 8 Wonder Woman
- 9 Fantastic Beasts

13 other movies received votes, but the clear winner was IT, with more than 30 votes.

What's your favorite candy?

32 seniors voted Reese's Peanut Butter Cups as their favorite candy. Second place went to Kit Kat, and Skittles came in third. There were votes for 21 different candies, but others that made it to the top 10 were Twix, Snickers, Sour Patch Kids, Sour Patch Watermelons, Hershey bars, Swedish Fish, and Starburst. Only one person voted for Almond Joy, proving that sometimes you feel like a nut, but most of the time you don't!

What's your favorite place to eat in Wilmington?

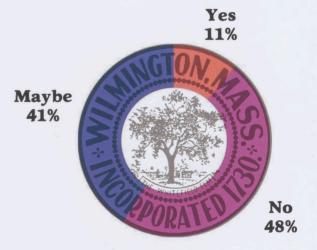

2 Simard's

With 38% of the vote, the 99 came in first for favorite restaurant. In addition to the top 3, there were 12 others mentioned. Rounding out the top five were As Good As It Gets and McDonald's.

Do you plan on living in Wilmington when you're older?

The Class of 2018 is ready to skip town! Most report that they will not return to live in Wilmington long-term, but we're guessing more than 11% will find their way back!

If you could be anyone, who would you be?

Top 3 Tom Brady Myself Elon Musk

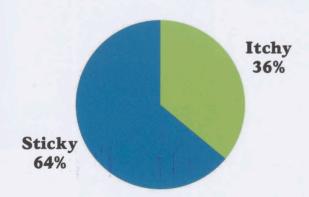

This question resulted in almost 100 unique answers. Most votes were for famous people (the Obamas, actors/actresses, singers) or rich people (Bill Gates). Ultimately, we found that most people just want to be themselves, unless they can be Tom Brady. But who wouldn't want to be the GOAT?

What's your favorite gym class activity?

Top 5Flag football (38%)
Yoga (7%)
Zumba, Basketball, Walking (6%)

Other mentions included Badminton, Pillow Polo, Dodgeball, Tennis, and Kickball

Would you rather be itchy or sticky for the rest of your life?

What is your favorite TV show?

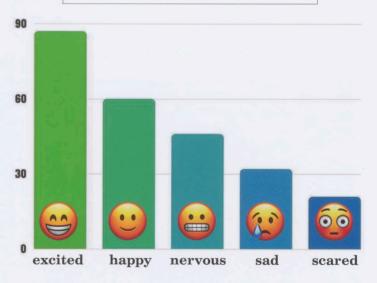

GAME OF THRONES

GREY'S ANATOMY

the office

The senior class has a wide range of tastes in television, but these four were the winners with more than 15 votes each. A handful of votes also went to Impractical Jokers, The Walking Dead, Family Guy, Big Brother, and One Tree Hill.

How do you feel about graduating?

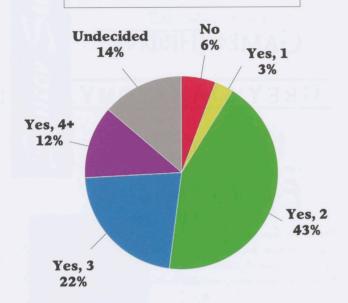

87% of seniors are excited to graduate, but 21% are a little scared of the future ahead. So many mixed emotions!

Seniors: Did your parent write you a message that is published in this yearbook? Check the parent ad section to find out!

Coke or Pepsi?

Do you plan on having children?

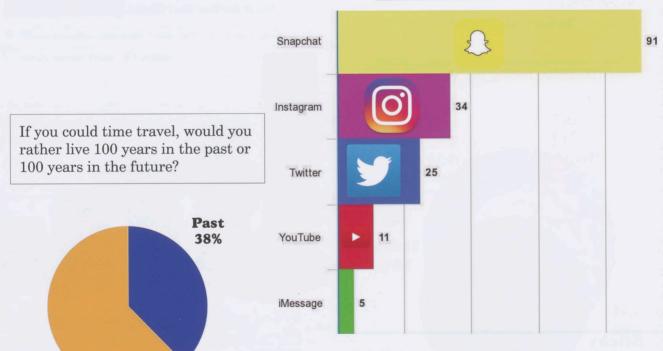

Coke Neither Pepsi 21%

For the second year in a row, Coca-Cola won by a margin of more than 2:1. Wildcats dread being asked, "Is Pepsi OK?"

80% of the senior class reported that they are planning to have kids, with the most popular answer being 2 kids. That's a lot of baby wildcats!

Which app do you use the most?

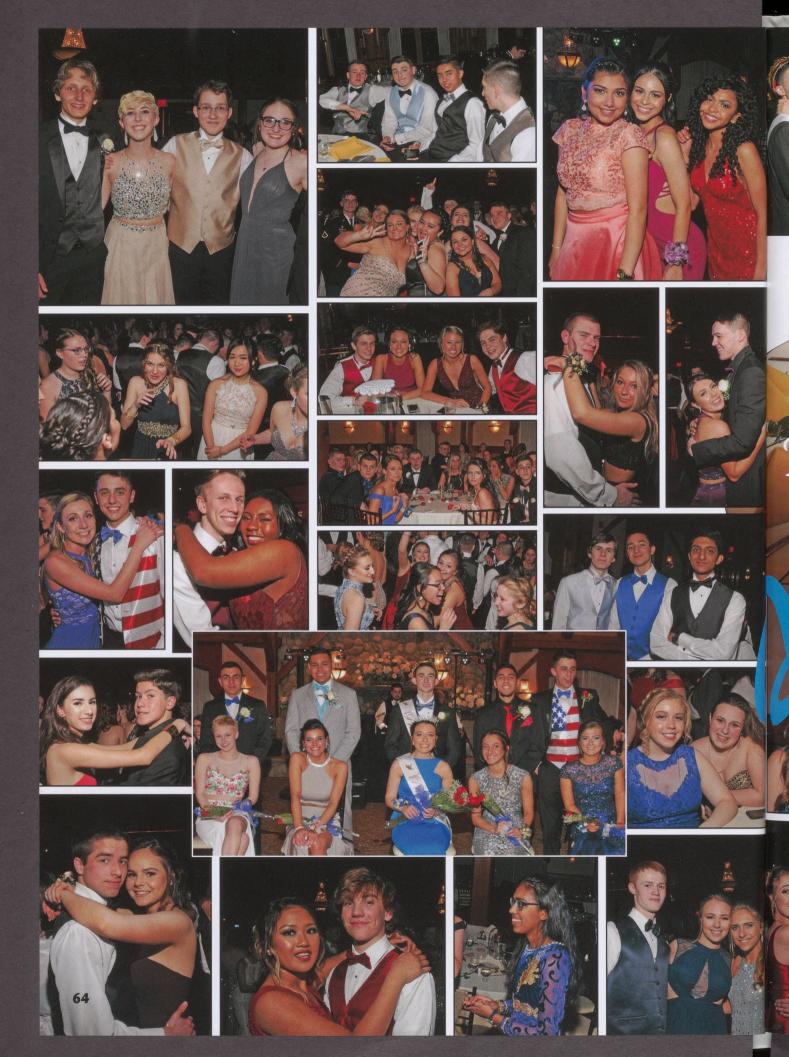

The Class of 2018 loves Snapchat! Snapchat earned almost triple the number of votes as the second place app, Instagram. Twitter, YouTube, and iMessage rounded out the top 5.

Contestants:

Olivia Wingate
Sam L'Esperance
Dina Singh
Sharan Ramanan
Mia O'Connell
Bobby Lord
Billy McEvoy
Ethan Karnesky

This year, there were six contestants in the Mr. and Miss WHS contest. Contestants competed in several categories including formal wear, talent, and interview. Hosts Joe Wilson and Caroline Andersen kept the crowd entertained with jokes and games. The faculty judges scored each of the contestants and Mia O'Connell and Billy McEvoy won the title.

Highlights from the Interviews

Q: If you could have any superpower, what would it be? Bobby: I want to fly. I'd fly up to a plane, look in the window, and be like, "What's up?"

Q: If you won a million dollars, what is the first thing you'd buy? Sharan: A really, really, really, really big... house. In Africa.

Q: What is a body part that you would not mind losing? Mia: One of the middle toes because the ones on the outside will balance you out. I could definitely still stand if I lost the very middle toe.

Q: If you could add a face to Mount Rushmore, who would it be? Sam: Miss Peters because she always gives us the benefit of the doubt.

Q: Why do you think you should win? Olivia: I think that I'm very spirited, I like the school-- I LOVE the school a lot, and I don't cut the line at Munchie!

21, 2017

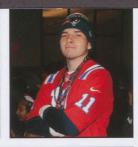

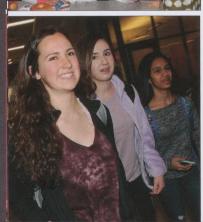

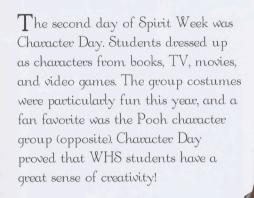

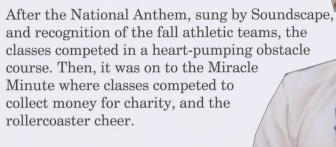

On the day before Thanksgiving, WHS held its annual pep rally. The sound was deafening as the band welcomed students to the gym with songs from their fall half-time show.

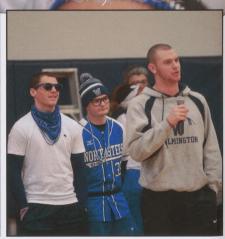

Miss Peters sent everyone off with a reminder to be grateful.

Each year, the 9/11 Club sponsors events to commemorate the terrorist attacks of September 11, 2001. Students made Powerpoint presentations about each plane that crashed. Students were encouraged to make a pledge in honor of the victims and visit the 9/11 memorial in the courtyard.

Ms. Yang & Ms. Donahue

Mr. Maloney & Mr. Hackett

The annual seniors vs. juniors girls' flag football event was a hit this year. In a break from tradition, the game was held in the afternoon instead of the evening, because the Mr. and Miss WHS contest was the same night. It was a short game, but there was a great turn-out from both grades and the juniors took the win.

The Class of 2019

Advisors: Mrs. Ettinger and Ms. Mandeville

The past three years there have been many challenges that our class has faced. As a class we have overcome and defeated these problems head-on. Next year is our last year in this building and we should be focusing on improving ourselves and setting a good example for our peers. Senior year is an exciting and stressful time for us all, but as long as we are all confident in ourselves and our class, we will come out strong in May. Good luck to everyone, and let's have a tremendous Senior Year!

CONGRATULATIONS CLASS OF 2018

Colophon

The 2018 Hourglass was produced by the yearbook staff at Wilmington High School in Wilmington, MA and printed by Walsworth Publishing. We would like to thank Kevin Simoneau, Alex Wilson, and Cheryl Ball at Walsworth for helping us make our ideas come to life. This edition of The Hourglass is 160 pages. 240 copies were sold for \$75 each, with increases in price throughout the winter. There were several fonts used throughout the book, including *Berkley*, *Kent*, and *Century*.

The cover was designed by Jess Moore, Kylie Paolillo, Britney Mallebranche, and Kayley Keogan. The Yearbook Club staff chose the color scheme, sticking with the traditional blue, white, and black while emphasizing the senior section in blue. Senior editors Jess Moore, Kylie Paolillo, and Britney Mallebranche helped plan the book and choose layouts, colors, and spread ideas.

Photos were supplied via Prestige Portraits and Lifetouch, the Walsworth SnapApp, students (including Kylie Paolillo, Lauren Field, Sara Troy, and Hallie Catanzano), and Ms. Dickerson.

The staff would like to thank Cheryl Tavares for her help with the athletic information, and the WHS club advisors for help gathering club pictures and information. We would also like to thank past advisors Jen Fidler, Julie Kelley, and Kate Durkin for their help.

We offer our warm congratulations to the Class of 2018. Good luck!
